What It Means To Be Spiritual

03/01/20 · Corinthians 12:1-3 · Roland Lee

A. Spirituality has more to do with the natural than the supernatural.

1. Someone who is spiritual understands spiritual truths, which is the truth of God, 1st Corinthians 2:12-13
2. Someone who is spiritual treats others with love, 1st Corinthians 3:1-3

B. There are two markers for what it means to be spiritual.

1. The spiritual person speaks the truth about the person, nature, and work of Jesus, 1st Corinthians 12:3a
2. The spiritual person shows Jesus is Lord in their lives through the work of the Holy Spirit, 1st Corinthians 12:3b

Friends, spirituality is not about miraculous powers or mystical abilities, but about knowing and accepting the truth about Jesus and being enabled by the Holy Spirit to live a life that confesses Jesus Christ is Lord.
